Graceful Growing Together, Inc. Has Reached the GuideStar Exchange Silver Participation Level as a Demonstration of Its Commitment to Transparency

Bethesda, Maryland – GGT today received the GuideStar Exchange Silver participation level, a leading symbol of transparency and accountability provided by GuideStar USA, Inc., the premier source of nonprofit information. This level demonstrates GGT's deep commitment to nonprofit transparency and accountability.

"We have worked hard to showcase our progress toward our mission, and our long-held belief in being transparent about our work, to our constituents," said GGT's Secretary, Dave Lambert. "As a GuideStar Exchange participant, we use their platform to share a wealth of up-to-date information about our work to our supporters and GuideStar's immense online audience of nonprofits, grantmakers, individual donors, and the media."

In order to be awarded the GuideStar Exchange logo, GGT had to fill out every required field of our nonprofit report page on www.guidestar.org for the Silver level of participation.

"I encourage you to check out our profile on GuideStar to see what we're all about," added Lambert. "We are embarking on a major building program and we are thrilled to have another platform for communicating our progress."
